

## Make a Good Bargain on Our Online Auctions

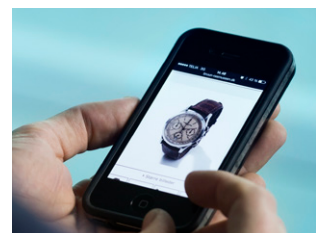

*Buying at auction is an experience you cannot miss out on. This is where you can buy the rare, fun and quirky items that you will not find anywhere else. It is also here that you can experience the thrill of excitement once the bidding commences on a work by your favourite artist, and it is here you can feel the joy – or the vexation – when the hammer finally falls!*

If you are dreaming of art, antiques and designs for your home or jewellery and wristwatches in a unique quality, our department in Aarhus is just the place for you. Here you can always find inspiration for your home or find accessories that match your own personal style – and at prices that are affordable.
